Money Tips for a Crisis

Necessities:

- Take a deep breath
- Pray that God would continue to give you guidance & protect your mind
- Make sure four walls are covered:
 - Housing
 - Utilities
 - Transportation
 - Basic food
- Have at least \$1000 or one month of money set aside in a savings account
- Think "What does this make possible?"

If you've lost your job:

- Pause debt payments
- Cut expenses as much as you can
- Stash away money in your savings account
- Do some "No Spend Challenges"-make it a game!
- Look into side hustles for the time being:
 - Amazon
 - Door Dash
 - Grocery stores
 - Mail delivery

If you're still working:

- Continue paying your tithe/giving to your local church
- Pay the minimum payments on your debt
- Keep working your current financial plan
- Get creative on fun things to do while social distancing or in quarantine

Optional:

- Clean out some closets/drawers. Find things you can sell or give away
- Read a book about personal finance or something you've been wanting to learn!
- Share toilet paper with your friends :)
- Play "Clean Out the Pantry" and make creative meals with what you already have in your pantry
- Schedule a virtual coffee date with a friend (or me!)
